Pursuant to 807 KAR 5:056, Section 1(11), the Public Service Commission ("Commission") issued an Order on December 4, 1985, requiring Clark Rural Electric Cooperative Corporation ("Clark") to notify its customers of a hearing to be held on January 28, 1986. Clark was not required to appear at the scheduled hearing unless an appearance was requested by the Attorney General's Division of Consumer Protection or other interested parties, or by the Commission on its own motion. Furthermore, Clark filed an affidavit stating its compliance with the provisions of the Fuel Adjustment Clause as prescribed in 807 KAR 5:056. Clark also filed its monthly fuel charges for the 6-month period under review.

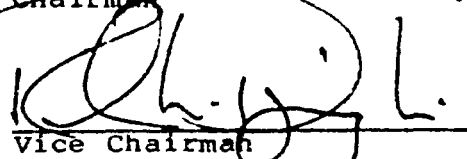

Following proper notice, no party of record requested Clark to appear at the hearing scheduled for January 28, 1986. After reviewing Clark's monthly fuel clause filings for the 6-month period under review, the Commission is of the opinion that Clark has complied with the provisions of 807 KAR 5:056.

IT IS THEREFORE ORDERED that the charges and credits billed by Clark through the fuel adjustment clause for the period May 1, 1985, through October 31, 1985, be and they hereby are approved.

Done at Frankfort, Kentucky, this 14th day of February, 1986.
